That's not the right answer; your answer is too low. Curiously, it's the right answer for someone else; you might be logged in to the wrong account or just unlucky. In any case, you need to be using **your puzzle input**. If you're stuck, make sure you're using the full input data; there are also some general tips on the [about page](#), or you can ask for hints on the [subreddit](#). Please wait one minute before trying again. (You guessed [Return to Day 6]

Our [sponsors](#) help make Advent of Code possible:

[Formlabs](#) - You don't need elves when you have 3D printers...
